**Stewardship Reflection**  
Throughout the Easter Season, our readings have given us glimpses into the life of the newborn Church and the bold witness of the early disciples in spreading the Good News of Jesus Christ to all who would listen. These disciples were the first to live a stewardship way of life. Their example is as relevant today as it was 2,000 years ago to inspire and guide us modern-day disciples.  
A spirit-filled and joy-filled life can be available to all of us, all these years later. It can be achieved when we recognize, as Paul and Barnabas did our First Reading, that all we have and all we are is a gift from God, meant to be shared with others for His glory. Living as stewards isn't always easy, and sometimes involves great challenges, but in the end there is simply no more satisfying way to live.

**A Mother's Day Prayer**  
Mary, Mother of Jesus, we ask you on this Mother's Day to pray for our dear Mothers.  
May your Son, Jesus, reward them for all the care they have so lovingly given us over the years.  
May He give them peace of heart for all the time they have soothed us in times of trouble or failure.  
May Jesus give them joy of spirit for all the times they have healed our wounds and wiped away our tears.

We ask you, Mary, on this special day when we honor and praise our mothers for their unconditional love and care, that Jesus might bestow upon them His choicest blessings and His deepest love.

**Families and the Gospel**  
**John 10:27-30**  
Today's Gospel reminds us to be shepherds for our children who depend on us to be their guides and role models. Where are we leading them? When they "hear our voice" what message do they hear?

Please pray for the sick listed below. Pray for all those not listed who need our prayers.
