

Lebanon County Pennsylvanians for Human Life

We Need Your Help to

"Save the Babies & the Moms"

We need help with our Mother's Day Carnation Fund Raiser, passing out Voter's Guides, getting the pro-life message out to our youth, supporting those who have chosen life, and other projects.

Wouldn't it be great if we could mail a newsletter, put up a pro-life billboard, sponsor a radio or TV commercial?

ABOVE ALL PRAY

We Need Volunteers & Donations!

The fight for life has been brought into politics with the Roe v Wade decision legalizing abortion through all stages of pregnancy for any reason. We need Voter's Guides.

We have a testimonial of how one of our fetal models has saved a baby's life. How many more lives have been or will be saved by one of our fetal models we will never know.

ABORTION IS BIG BUSINESS
