## BLAIR COUNTY CHAPTER

Citizens Concerned for Human Life, Inc. is a non-profit, non-partisan, non-denominational organization, dedicated to educating and upholding the truth about abortion, infanticide, euthanasia and embryonic stem cell research.

CCHL is composed of chapters made up of persons of all ages, races and cultural backgrounds.

CCHL is an affiliate of the Pennsylvania Pro-Life Federation and the National Right to Life Committee.

Blair County CCHL believes that human life has value in all stages of development from conception until natural death, and

is committed to speaking on behalf of those who cannot speak for themselves—the unborn, the aged, the incapacitated.

Won't you please help in our struggle to preserve respect for human life?

A contribution brings you the *Blair County Life News* as well as educational materials and special mailings.

The following is a short list of ways in which you may want to help!

- ◆ Become a CCHL representative in your church or school
