On October 9th, 2011 we held our first annual Easton Area March and Rally for Life. We are so grateful for the wonderful response to our request for sponsors.

Our goal is to involve as many individuals and businesses in every way we can. As a business in our community, we look to you for support.

Our mission is to raise community awareness as to the values and sanctity of all life. As part of this mission our dual goal is to help aid young single mothers who are struggling to provide the basic needs for their newborn child. Your contribution will help to assist these families with food, clothing and shelter.

We understand financial burdens have affected us all. However, we also feel this cause is one that is close to your hearts as well as our community and ours.

We are asking you, organizations and businesses to join together in donating to this worthy cause. As a contributor your name or company name and logo will be listed as a leveled sponsor. We also extend an invitation to you and your employees to participate in this walk wearing your company's T-shirt or logo.

Your contribution is greatly and sincerely appreciated by us, your community and more importantly by the woman and children who will greatly benefit from it.
