

Pennsylvanians: Urge the Governor to Continue Supporting Pregnant and New Mothers

Whereas, in a shocking decision, Pennsylvania Governor Josh Shapiro announced that he intends to allow Pennsylvania's contract with Real Alternatives to expire at the end of the year.

Whereas, Real Alternatives administers Pennsylvania's Pregnancy and Parenting Support Services program, which funds pregnancy resource centers, maternity homes, and adoption agencies throughout the Commonwealth.

Whereas, without this program, thousands of pregnant women across PA could lose the comprehensive support they need during their pregnancies—and 12 months afterward.

Therefore, be it resolved, that we, the undersigned, call upon Governor Shapiro to reverse his decision immediately and renew Pennsylvania's contract with Real Alternatives to continue the Pregnancy and Parenting Support Services program.

Take action:

Please call Governor Shapiro's office and ask that he reverse his decision to cancel Real Alternatives' contract. The number to call is: 717-787-2500.

Please email & call your state representative and state senator and urge them to take action to stop Real Alternatives' contract from being cancelled. You can send an immediate message by visiting paprolife.org and clicking the banner at the top of the page.
